RE: *Petition for Declaratory Order with Verification of Orangeburg County Solar Project, LLC and Orangeburg South Solar Project, LLC, both Wholly Owned Subsidiaries of Savion, LLC*, Docket 2021-114-E

Dear Mr. Stark:

Pursuant to Commission Orders 2021-642 and 2021-129-H, this matter has been scheduled for Virtual Oral Arguments before the Commission on Wednesday, October 20, 2021 at 2:00pm.

Via Order No. 2021-642 the Commissions asked Petitioners to present in advance of the hearing the following additional items and information:

1. Scalable map showing both projects;
2. Project footprint, interconnection location and depiction of outer boundary of the property dedicated to this project; and
3. Information on the design size of the facilities and the operational capacity of the facilities.

With regard to Items 1 and 2, Petitioners have filed two maps. The maps are designed for viewing in large format on 36" x 24" paper, so my office also sent via overnight delivery 10 paper copies of the maps to the Office of the Clerk and a paper copy of each map to counsel of record. Electronic versions of the maps were filed yesterday as Exhibit 1 and Exhibit 2 to Petitioners' Letter Supplement per Commission Order 2021-642 ("Letter Supplement").

In Item 3 above, the Commission requested additional technical information "on the design size of the facilities and the operational capacity of the facilities." Petitioners' Letter Supplement included excerpts from discovery responses and other information addressing Item 3.

In order to be certain the Commission has all information necessary at the upcoming hearing, especially given Order 2021-642's request for additional information, I plan to have two vice presidents of Savion, LLC available at the hearing, should the Commission have technical questions beyond my knowledge as counsel:

- ♦ Mr. Matthew Hooper, Director of Development for Savion, LLC, and
- ♦ Mr. Derek Sunderman, Vice President of Transmission for Savion, LLC.

Ordinarily, I would have these gentlemen attend the oral argument in person and thereby be present in the hearing room should the Commission have technical questions. Since we are proceeding virtually, I have provided contact and virtual attendance information for Mr. Hooper and Mr. Sunderman to the Commission via the Survey Tool you forwarded to counsel yesterday. Please let me know if I need to take any further action, and I will be happy to do so.

Thank you for your assistance as we continue to navigate the unique issues presented by virtual hearings.

Sincerely,

/s/

Thomas P. Gressette Jr.
